

JOY! JOY! JOY!

2015 Thanksgiving and Christmas
Cheer that you can bring to our AngelFAMILIES

As you know Thanksgiving and Christmas is fast approaching. Our thoughts turn to family gatherings, parties, big feasts, gifts and all the holiday trimmings....Then my thoughts turn to our AngelFAMILIES. As always, we need your help! So many wonderful people are already calling and need to know what we need done. We are expressing our needs so you can pass along our holiday information. Food and grocery store gift certificates are urgently needed.

If you have any questions please call me personally at (904) 398-4882 or email us at drcarlshiplev@gmail.com. If you call and you receive our voice mail, please leave a message with a day and night telephone number. This is one of our more challenging times of the year and we are handling tremendous case loads with our families. Please be patient, we really do need your help!

Our AngelFAMILIES appreciate everything you have done for us in the past and continuing to do for us in the future.

Soaring,

2014 AngelAID Christmas....

Because of You!

We all made it happen!

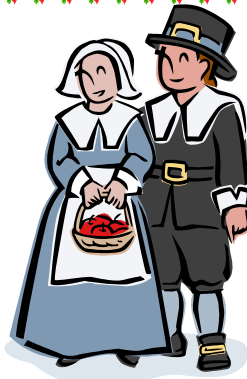

2015 Thanksgiving Food Drives

Our Food Bank is very low and critical at this time. If you and your organization are going to support AngelAID at Thanksgiving we need to have the food much earlier this year to complete the Thanksgiving Baskets. *We would appreciated receiving most of the food by Wednesday, November 22, 2015*

We are also in need of any value you choose of Gift Certificates from Grocery Stores so our families can receive their ham or turkey along with other perishable food for their Thanksgiving Dinners. We do not have the facilities to store frozen turkeys at the quantity we need. Gift Certificates make it easier for our volunteers to manage the distribution of food.

Any questions you might have, please contact me personally!
Again thank you for your continued support and helping change the lives of our children and families!

AngelGIFTS for AngelKIDS

As in the past twenty years we have AngelTREE tags that list the child, age, gender and descriptions of toys or clothes that the AngelKID has requested.

80% of all of these items are priced under \$25.00. We have already been receiving lists back from our AngelKIDS and have tags ready to be picked up. To order these tags, please call (904) 398-4882 and give your name, organization and how many tags you wish to be sent to you. If you run out of tags we will have a supply to replenish them and get them out to you by the next day. It is helpful if you email in the last page of this booklet with your request to drcarlshiple@gmail.com

These tags are designed to be put on a Christmas Tree so people can take them off and choose which child they would like to buy for.

All gifts need to be returned to AngelAID by December 16, 2015

It is very important to receive the gifts much earlier if at all possible.

There can also be arrangements made for a later pick up. Once we receive these gift items they are separated by code numbers and packaged up so our volunteers can deliver or have them ready for our Annual Christmas Party.

For more information please call Dr. Shipley or Jan Beyer at (904) 398-4882
